Attn: Assistant Chief, Audio Division,
Media Bureau

Pursuant to 47 C.F.R. 1.401, Charles Crawford respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 300A to Oakwood, Texas.

Petitioner respectfully submits that the public interest would be served by allocating Channel 300A to Oakwood, Texas as that community's first local FM service. Oakwood is an incorporated community with a population of 471 people.¹ Oakwood has its own mayor,

1

its own schools,² fire department,³ City Hall,⁴ post office,⁵ and a number of local churches⁶. Oakwood is a community that is certainly deserving of a local FM service. "Local radio stations play an important role in their communities, providing local news, information and entertainment to residents, and generally serving as good corporate citizens in the local community life. This is particularly true in smaller towns, where the radio stations are limited in number. Yet there are still rural areas of our country that do not have even a local radio station."⁷ The proposed channel 300A will provide additional diversity and an outlet for local self-expression to Oakwood residents and therefore is in the public interest.

Attached hereto is a channel study confirming that Channel 300A can be allocated to Oakwood, Texas, consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90

FCC 2d 88 (1992). (See, Attachment A) Also note: the petition to add Channel 300A at Tennessee Colony, Texas (RM-11179) was withdrawn on May 20, 2005, an effective but not yet final dismissal. (See, Attachment B) And finally, please note: the petition to add Channel 299A at Groesbeck, Texas, was withdrawn on May 11, 2005, an effective but not yet final dismissal. (See, Attachment C) Reference coordinates for Channel 300A at Oakwood, Texas are:

Should this petition be granted and Channel 300A is allotted to Oakwood, Texas, Petitioner will apply for Channel 300A at Oakwood and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

REQUEST FOR APPROVAL OF WITHDRAWAL

I, Charles Crawford, hereby request approval to withdraw my Petition for Rule Making(RM-11157) filed on October 30, 2003, proposing the allotment of Channel 300A to Tennessee Colony, Texas. After some thought, I have decided that the public interest benefits of the counterproposal in this proceeding outweigh the public interest benefits of my proposed first local service to the community of Tennessee Colony. Therefore, in an effort to preserve the Commissions time and resources, I have decided to withdraw my expression of interest in the proposed Channel 300A at Tennessee Colony, Texas.

An affidavit pursuant to Section 1.420(j) of the

Commission's Rules is attached regarding my withdrawal.

The factual information provided in this Request for Approval of Withdrawal is correct and true to the best of my knowledge.

Respectfully submitted,

REQUEST FOR APPROVAL OF WITHDRAWAL

I, Charles Crawford, hereby request approval to withdraw my Petition for Rule Making(RM-11179) filed on May 12, 2003, proposing the allotment of Channel 299A to Groesbeck, Texas. Pursuant to the Public Notice released on March 8, 2005 (Report No. 2695), my proposal to allot Channel 299A at Groesbeck, Texas, was treated as a counterproposal in the above-captioned proceeding. However, I am also the proponent for the initiating petition in this proceeding, Channel 300A at Tennessee Colony, Texas. This perceived conflict was inadvertent. Therefore, I have decided to withdraw my expression of interest in Channel 299A at Groesbeck, Texas in favor of

Channel 300A at Tennessee Colony, Texas.

An affidavit pursuant to Section 1.420(j) of the Commission's Rules is attached regarding my withdrawal.

The factual information provided in this Request for Approval of Withdrawal is correct and true to the best of my knowledge.
